

AiToolkit Software Pricing

- **AiToolkit – Calcs - £50**
- **AiToolkit – Damage - £350**

(Both products purchased together – 25% discount - £300)

AiToolkit products are competitively priced and once purchased users are entitled to all version updates and access to data file updates free of charge. When products are upgraded to new versions users will be given the opportunity to upgrade at a significantly reduced price.

To purchase, contact us to discuss your requirements and payment methods.

Multiple licences

User wishing to licence additional copies of the products are entitled to the second copy at 50% of the initial price. Three or more licences will be charged at further reduced prices – contact us for a quotation.

Educational establishments

Academic and educational establishments are entitled to special greatly reduced licensing rates. Contact AiToolkit for individual quotations.

Postage and packing

Demonstration copies of the software can be licensed directly with the issue of a code by AiToolkit. We will supply copies of the software at no cost on CD when requested. Postage and packing within the UK is free. Overseas delivery will be charged at cost
